ABOUT ME

I'm a graphic designer with almost 10 years of experience in brand identity, advertising campaigns, social media and print media. I worked in advertising agencies and had my own branding studio in Brazil before moving to Australia. Now I live on the Sunshine Coast and I feel ready to get back to design and bring my experience to a team here.

EXPERIENCE

2020 – 2022

FOUNDER & GRAPHIC DESIGNER

Diogo Arnosti Design · Brazil

- Created brand identities, from the first idea to the final pieces: logo, stationery, packaging, signs and merchandise.
- Art Director for Chocolates Brasil Cacau, through Ginga, a big agency in Brazil. Created key visuals with the Creative Director and adapted the campaigns to all formats.
- Campaigns for houpa!, a fashion wholesale app: in-app banners, social media and emails.

2018 – 2020

GRAPHIC DESIGNER

Voo Propaganda · Brazil

- Advertising campaigns and brand ideas for online and offline media.

2014 – 2018
